

American Louver Company® Eggcrate

American Louver Company® proudly offers a complete line of aluminum eggcrate, baffles and reflectors. The eggcrate comes in a variety of outer dimensions, heights and materials.

The Alumicrate is a ½" x ½" x ½" eggcrate louver. The manufacturing process produces a rigid grille highly resistant to damage caused by handling during installation and maintenance. The Alumicrate has the following specifications:

- 2' x 4' standard nominal size
- custom sizes are available
- .016" aluminum
- 45° shielding for lighting applications
